

## RUGGED BY DESIGN

The **TS5000** is designed for all tough and heavy duty tasks. Drop tested, dust-proof and water-proof, the IP67 rated **TS5000** provides industry leading ruggedness and reliability.

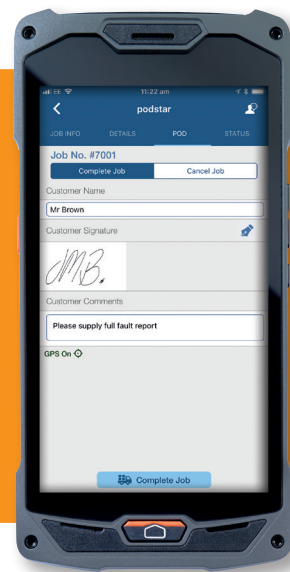

## FOR EVERY APPLICATION

Suitable for cross industry usage, the **TS5000** is available with an array of communication options. Supporting Wi-Fi 802.11 a/b/g/n, Bluetooth and 2G/3G/4G radio and the inclusion of a high volume 5000mAh battery enables users with the power, time and ability to stay connected wherever they are and whatever task they are performing.

## RUGGED AND DYNAMIC

The **TS5000** integrates feature rich functionality into a well-balanced and lightweight design. Supported with Glove Mode and 5" HD IPS screen, the **TS5000** provides comfortable one handed operation. Integrated side buttons provide further ease of use for access to device shortcuts.

Integrating the latest Android operating system, precise and powerful scanning combines with the embedded high resolution camera to provide startling productivity gains for a number of wide range of industries and tasks.

## PROVEN PERFORMANCE

The **TS5000** offers performance with the highest level of automation, it is the ideal industrial terminal for transport and logistics based applications including, but not limited to:

RETAIL

WAREHOUSING

FIELD SERVICE

TRANSPORTATION

HEALTHCARE

HOSPITALITY

MANUFACTURING

LAW ENFORCEMENT

# TS5000

## MOBILE INTELLIGENT DATA TERMINAL

### Technical Specification

#### KEY

Power (lock screen), Volume +, Volume -, Scan button, Home button

#### OPERATING SYSTEM

Android 7.1 Sunmi secure operating system

#### DISPLAY

5" HD, 1280 x 720 IPS

#### CAPACITIVE TOUCHSCREEN

G + G Capacitive Touch Screen, Multi-Touch

#### PROCESSOR

ARM Cortex-A7 Quad core 1.3GHz CPU

#### MULTIMEDIA

Support 1080P video playback & 720p recording

#### MEMORY / STORAGE

8GB ROM + 1GB RAM / 16GB ROM + 2GB RAM

#### EXPANSION / CONNECTIVITY

Single SIM Card slot, Single PSAM Card slot,  
Compatible with SIM card holder),  
Support 1.8V/3.0V (optional),  
MicroSD (TF) supports up to 64GB

#### INTERFACE

One Type-C USB, Support OTG

#### BATTERY

Non-detachable lithium battery, 5000mAh

#### NETWORKING & COMMUNICATION

WIFI: 2.4G/5G, Support IEEE 802.11 a/b/g/n  
BLUETOOTH: Bluetooth spec 2.1/3.0/4.0, Support BLE  
MOBILE BROADBAND: Support all bands of FDD-LTE and  
TDD-LTE (2G, 3G & 4G)

#### DEDICATED GPS

Support GPS and A-GPS

#### CAMERA

5 megapixel, flashlight, autofocus

#### BARCODE RECOGNITION

Support domestic and international top brands of Q code  
terminal (compatible with one-dimensional code scanning)

#### OPERATING TEMPERATURE

-20°C to +55°C

#### ENVIRONMENTAL

IP67

#### SHOCK TESTING

1.2M Drop in all orientations on to concrete

#### STORAGE TEMPERATURE

-40°C to +60°C

#### NFC

Mifare/Felica/ISO 14443/ Type A/B/ISO15693;  
P2P model and card simulation model
